#### **Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The mission of the Michigan State Housing Development Authority's Office of Housing Voucher Programs (OHVP) continues to be to assist Michigan's very low-income families, the elderly, and the disabled to afford decent, safe and sanitary housing. It is also the mission of OHVP's Housing Choice Voucher Family Self-Sufficiency and Homeownership programs to promote and provide education and opportunities for families to become economically self-sufficient; end the cycle of assistance; and, to recycle the vouchers to additional families in need.

In early 2006, the Authority had adopted the following agency-wide strategies for the forthcoming five years which continue to be practiced:

<u>Strategy 1:</u> Expand the availability and supply of safe, decent, affordable, and accessible rental housing for low and extremely low-income individuals and families;

<u>Strategy 2</u>: Increase homeownership opportunities for individuals and families by reducing the costs of homeownership.

<u>Strategy 3:</u> Make homeless assistance more effective and responsive to local need through local autonomy and movement toward a continuum of care.

<u>Strategy 4:</u> Develop linkages between the housing and service sectors to provide greater housing opportunities for household's special needs.

Working together as an agency, these four strategies will be accomplished using a number of action plans, partnerships, and staff across MSHDA's many working divisions. MSHDA's Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The statements, budget summary, and policies set forth in the Annual Plan all lead toward accomplishment of our five-year goals and objectives. Taken as a whole, they outline a comprehensive approach consistent with the Consolidated Plan.

Highlighted below are the strategies that the OHVP has identified for the fiscal years 2006-09.

Promote opportunities for families participating in our HCV program to become economically self-sufficient and end the cycle of assistance through our Family Self-Sufficiency and Homeownership programs.

Provide safe, decent, sanitary housing at an affordable rate to families in need.

Continue the eligibility requirement at entry into our HCV program that families must be at or below the Federal Poverty Level.

Transition up to 20% of the Housing Choice Vouchers MSHDA currently administers to Project-Based Vouchers to enhance effective supportive housing projects that have specific service/funding sources in place for people who are homeless or with special needs. Additional project-based vouchers will be offered to Michigan citizens through advertised opportunities on the MSHDA website to owners and landlords. The vouchers will be awarded based on applications meeting stated criteria. In FY 2007-08 MSHDA will continue to administer the housing choice vouchers already identified as project based vouchers in is portfolio.

Enhance our customer service by continuously working with staff to employ quality initiatives embraced at MSHDA.

Continuously work with the U.S. Department of Housing and Urban Development (HUD to assist families impacted by housing conversion actions.

Apply for Housing Choice Voucher funding as Notifications Of Funding Availability (NOFA) announcements are issued by HUD. This would include Mainstream vouchers or Family Unification Program vouchers, if announced.

Continuously work with HUD and other partners to provide housing and support services to qualified Housing Choice Voucher families. Other partners include the State of Michigan Departments of Human Services, Labor and Economic Growth, Community Health, and Information and Technology Services. We also partner with local homeless Continuum of Care Planning Bodies, Area Agencies on Aging, Community Mental Health Agencies, the Corporation for Supportive Housing (CSH), community-based service providers and various other non-profit entities.

OHVP staff will continue to actively participate in the MSHDA sponsored Michigan Affordable Housing Community Five-Year Action Plan.

In summary, MSHDA is continuously working to provide quality affordable housing for poverty level, extremely low, very low, and moderate income households in Michigan. As a statewide agency administering the Housing Choice Voucher Program, MSHDA further assists voucher participants through the Family Self-Sufficiency and the Key to Own Homeownership programs to improve their quality of life.
